

GOOD GOVERNMENT IN EXCHANGE FOR EQUAL SUFFRAGE

Miss Weir Mallory Makes This Pledge in Valedictory at Successful Commencement Exercises for C. H. S.

Without attempting to solve completely all the world problems in their addresses, Miss Weir Mallory, salutatorian, and Miss Margaret Kelly, valedictorian, presented clear-cut talks at Central high school commencement Thursday night that showed to excellent advantage the training they had received during the past four years. The address by Miss Kelly was delivered by Rev. William J. Cooke, D. D., who spoke on "The Young American," taking occasion to compliment the graduating class upon its successful work and congratulating them upon achieving the goal. He said they proved they could sit down and think and plan for the future, which, he said, was necessary to success. Herbert Bullin, class president, delivered the greeting to the large audience that was present for the exercises. The high school orchestra rendered several selections during the evening.

From the overture, "Calph of Baghdad," by the orchestra, until it played the final march the exercises went forward with all the marks of having been successfully planned. Following the invocation by Rev. J. B. Carpenter, the audience sang "America," after which the class president, Herbert Bullin, presented the valedictory, "The Young American," and the valedictory by Miss Margaret Kelly was on "Women as a Maker of Cities." During their talks the young ladies took advantage of the opportunity to pledge the women to work for a better government in return for the right to vote.

Prof. Wharton S. Jones, the superintendent, introduced Dr. Cooke, and C. P. Jester, principal of the school, introduced Harlow Peres, president of the board of education, who delivered the diplomas.

Twenty-four boys and girls who have completed their studies at Crockett vocational high school will have their commencement exercises at Scottish Rite cathedral Thursday night at 8:15 o'clock. Verona Tennyson will deliver the salutatory address, and Maurice Silverman the valedictory. Harry Hadden, violin solo—Milton Solomito. Valedictory—Maurice Silverman. Instrumental—"Sunshine Waltz" (Nichols).

Address to graduating class—Rev. Walter M. White, D. D., presented by Principal J. L. Hixson.

Chorus, "A Merry Life" (Dezza)—Graduating class.

Awarding of diplomas—Hon. Harlow Peres, president city board of education, presented by Supt. Wharton S. Jones.

Finale, "Military March" (Buecher)—C. V. H. S. orchestra.

LOST CAR ON FRIDAY RECOVERS IT FRIDAY

D. M. Crawford, 216 North Watkins, had bad luck on Friday, Feb. 23, when his Chrysler touring car was stolen from in front of his residence. But the luck changed to good early Friday morning, Feb. 24, when Auto Detectives Taylor and Durham found the Chrysler in the vacant lot at Third street and Jefferson avenue. The sleuths had information that a man had been trying to sell the car for \$400 several times in the past few days. Finding he abandoned the machine,

Evergreen Club Is Closing Its Hottest Campaign

The annual banquet and election of officers of the Evergreen Improvement club will be held Tuesday evening at Snowden school. This will bring to a close what is possibly the hottest campaign ever staged by a local civic organization.

The green standard bearers headed by E. J. Holts for president, Roy C. Martin for vice-president, C. W. Kinnaman for secretary and W. E. Wishart for treasurer, claim there can be but one result in the election.

The whites headed by Dr. D. K. Smith for president, J. W. Cullen for vice-president, W. E. Patton for secretary and A. J. Williams for treasurer are equally confident of success.

Reservations for more than 250 plates have already been made and the attendance probably will go over 250. Mayor Price and the city commissioners have promised to refer the election and see that there is no ballot box stuffing or crooked work of any kind.

MORE POLICE VETERANS FIRED

Official Ax "For the Good of the Service" Swings on Three.

The official ax again was swung Thursday night by John B. Edgar, police and fire commissioner, when Capt. Lee's night relief reported for duty. Casualties netted three—those losing out being Patrolmen Tom Simmons and Nelson Brett, and Patrol Officer Martin Harvey. The same cause that served for the official decapitation of Patrol Sgt. Joe Fitzgerald—"for the good of the service"—was given for the discharge of the three.

Harvey was the oldest man in point of service among those discharged. He had been on the department continuously since 1911, with never a black mark on his record. He acted as officer on the Ford patrol wagon. Brett, who is a brother of James Brett, circuit court clerk, first joined the force seven years ago. He has been off and on several times since. Simmons had been a member of the department for about two years.

The place which Joe Fitzgerald held has been filled by the promotion of J. M. Hart, who has been acting as auto clerk in the department since Feb. 1. Prior to that time Hart was stationed at the Parkside substation. He was the first mounted policeman put on duty there in years ago, when the mounted corps, which since has been abandoned, was established.

Harvey's successor, who will be picked by Capt. Lee, has not been named. S. E. Ballentine, a new man, was given the position of night turn-out, when "Capt." E. B. Dye was let out.

STATE TO EXAMINE MADISON TEACHERS

JACKSON, Tenn., Feb. 25 (AP)—The first state examination for county school teachers to be held this year is scheduled for Friday and Saturday, March 12 and 13, as announced in a communication received by County Superintendent W. A. Malone today from State Superintendent Albert S. Williams of Nashville. The examination for white school teachers of Madison county will be held in the Jackson high school building and the examination for colored teachers will be held at the South Jackson school.

CAR SHORTAGE CUTS COAL PRODUCTION

KNOXVILLE, Tenn., Feb. 25.—Coal production in the Tennessee-Kentucky fields, owing to shortage of cars, is reported by operators to be about 50 per cent normal and of this supply they say the railroads are confiscating a large part. The fuel situation in Knoxville and other cities is becoming acute. Local dealers are a week behind with deliveries.

Spring Wedding Invitations

The first in Memphis to show the new shapes in Wedding Sheets. Our styles are always the newest—skilled engravers, finest materials, best workmanship. Every detail given personal attention. All work done in Memphis, thereby insuring prompt delivery. No bride-to-be should place her order before inspecting our styles and workmanship. Mail orders will receive prompt attention.

WOMAN HURT IN AUTO COLLISION

Mrs. E. F. Loft was bruised about the back when an automobile in which she was riding with her husband and

With Fingers!
Corns Lift Off
Doesn't hurt a bit to lift any corn or callus right off. Try it!

For a few cents you can get a small bottle of the magic drug freezone recently discovered by a Cincinnati man.

Just ask at any drug store for a small bottle of freezone. Apply a few drops upon a tender, aching corn or callus and instantly all soreness disappears and shortly you will find the corn or callus so loose that you lift it off with the fingers.

Just think! Not one bit of pain before applying freezone or afterward. It doesn't even irritate the surrounding skin.

Hard corns, soft corns or corns between the toes also hardened calluses on bottom of feet, shrivel up and fall off without hurting a particle. It is almost magical.

Ladies! Keep a tiny bottle on the dresser and never let a corn or callus take twice.

baby Thursday night collided with a car driven by J. D. Clark, 2194 Cowden avenue, at Madison avenue and Lander-

dale street. The Loft car was going north on Lauderdale and the Clark car east on Madison. The collision

threw the Loft car on the sidewalk, rear end, holding that both drivers were blameless.
